

Lalit Kandpal

Phone: 90277 77291

Email: Lalitmohankandpal0100@gmail.com

Location: Rudrapur, Udham Singh Nagar, Uttarakhand

Career Objective:-

Detail-oriented BCA student with hands-on experience in AI-driven tools, programming, and database systems. Seeking an entry-level technical role where I can apply my skills in Artificial Intelligence, Cyber Security fundamentals, and software development while continuously learning and contributing to organizational growth.

Education:-

Bachelor of Computer Applications (BCA)

Graphic Era Hill University, Bhimtal

2nd Year (4th Semester) | Ongoing

-Senior Secondary (12th) – Rudrapur, Udham Singh Nagar

-Secondary (10th) – Rudrapur, Udham Singh Nagar

Technical Skills:-

-Programming Languages: C, C++, Python.

-Artificial Intelligence Tools & Prompt Engineering.

-AI Agent Workflow Design (Multi-Agent Chains).

-Front-End Basic.

-Database Concepts.

-Basic Back-End Development.

Academic Project -

Student Medical Database System.

-Designed and managed a structured database for student medical records.

-Assisted in developing back-end logic for data handling and retrieval.

-Used AI tools to speed up development, debugging, and documentation tasks.

-Contributed to system organization and data flow management.

Mini Project:-

-AI-Based Resume Analyzer.

-Developed a resume analysis tool integrated with AI for skill extraction and resume feedback.

-Implemented prompt-based logic to evaluate resumes against basic role requirements.

Hackathons:-

-Participated in 2 Hackathons (2025, 2026).

-Collaborated in team-based problem solving and rapid prototype development under time constraints.

Soft Skills:-

-Leadership.

-Prompt Thinking & Problem Decomposition.

-High Productivity Using AI Tools.

-Team Collaboration.

-Willingness to Learn.

-Adaptability.

Declaration:-

I hereby declare that the information provided above is true and correct to the best of my knowledge.
